**Item Title:** Approve and authorize the Chairman to sign the work authorization with DRMP to develop Nassau County's Resilient Florida Adaptation Plan

**Date:** 5/21/2025

**Department:** Stormwater and Drainage Management

**Background:**

In 2023, the County was awarded the Florida Department of Environmental Protection (DEP)'s Resilient Florida Planning Grant for the Nassau County Vulnerability Assessment Update Including Callahan project. As part of the Resilient Florida Planning Grant, the County wishes to contract with DRMP to complete a portion of the contractual services requirements for the vulnerability assessment including an adaptation plan which will help staff understand the County's stormwater system and how it responds to specific storm events. The documents and information produced by these plans will help the County continue to be more resilient, saving its citizens money on recovery in the long term.
