RECITALS:

WHEREAS, in order to implement a system of school concurrency as provided in the Public School Facilities Element of the Nassau County 2030 Comprehensive Plan (the "Public School Facilities Element"), the School District, Nassau County, and the municipalities within Nassau County have entered into that certain "Amended Interlocal Agreement For Public School Facility Planning," dated as of August 2008 (the "Interlocal Agreement"); and

WHEREAS, the County and the School District have adopted and implemented a public school concurrency management system to assure the future availability of public school facilities to serve new development consistent with level of service standards ("Level of Service" and "Level of Service Standards") required in the current Interlocal Agreement and the Public School Facilities Element; and

WHEREAS, pursuant to Section 10 of the Interlocal Agreement, Section 08.05 of the Public School Facilities Element, and Section 163.3180, Florida Statutes, an Applicant submitting a development permit application for residential development requiring a rezoning, subdivision plat approval, site plan approval, or the functional equivalent that will generate additional students in a concurrency service area, as established in the Public School Facilities Element, in which there is insufficient capacity to accommodate the anticipated additional students must enter into a proportionate share mitigation agreement and provide proportionate share mitigation to ensure that

the minimum level of service standards are maintained as specified in the Interlocal Agreement, the Public School Facilities Element, and Florida Statutes; and

WHEREAS, applicants must submit a development permit application to the County along with a School Impact Analysis that identifies the proposed location of the residential development, the number of dwelling units that will be created, a phasing schedule (if applicable), and age restrictions for occupancy (if any) as well as all other information required pursuant to the Interlocal Agreement and Public School Facilities Element; and

WHEREAS, Applicant is the fee simple owner of that certain tract of land (Parcel Number(s) 42-2N-27-0000-0003-0000, consisting of 54.13 ± acres and located in the Yulee South Concurrency Service Area specified in the Public School Facilities Element, which property is more particularly described on Exhibit “A,” attached hereto and incorporated herein by reference (the “Property”), which such Property location is further illustrated by a map attached hereto as Exhibit “B,” and incorporated herein by reference; and

WHEREAS, the Applicant has submitted a development permit application and School Impact Analysis to County in connection with a proposal to obtain a rezoning approval in order to develop 35 single family dwelling units on the Property (the “Development Permit Application”), which such Development Permit Application and School Impact Analysis have been forwarded to the School District; and

WHEREAS, the School District has reviewed and evaluated the Applicant’s Development Permit Application and School Impact Analysis as required by the Interlocal Agreement; and

WHEREAS, the School District has determined that at the time of this Agreement, based on the current adopted Level of Service Standards; adequate middle and high school capacity is available within the applicable Concurrency Service Area and any contiguous Concurrency Service Areas to accommodate the middle and high school students the Development Permit Application is anticipated to generate for the proposed dwelling units; and

WHEREAS, the School District has determined that based on the current adopted Level of Service Standards, there is insufficient elementary school capacity within the applicable Concurrency Service Area and any contiguous Concurrency Service Areas, including any anticipated new school capacity that will be available in the first three (3) years of the current School District Educational Facilities Plan, to accommodate the anticipated number of elementary school students that the Development Permit Application will generate and that available school capacity will not be in place or under actual construction within three (3) years after the approval of the Development Permit Application; and

WHEREAS, approving the Development Permit Application without requiring Proportionate Share Mitigation for the impacts of the proposed new dwelling units will result in a failure of the adopted Level of Service Standards; and

WHEREAS, the Applicant has agreed to enter into this Agreement with the School District and County to provide Proportionate Share Mitigation proportionate to the demand for Public

School Facilities to be created by the Development Permit Application, as more particularly set forth herein; and

WHEREAS, the Parties agree that public school concurrency shall be satisfied by the Applicant's execution and full performance of this legally binding Agreement to provide mitigation proportionate to the demand for public school facilities to be created by the residential dwelling units proposed in the Development Permit Application ("Proportionate Share Mitigation").

NOW, THEREFORE, in consideration of the foregoing, the mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto, intending to be legally bound, agree as follows:

SECTION 1. INCORPORATION OF RECITALS. The foregoing recitals are true and correct and are hereby incorporated into this Agreement by this reference as if fully set forth herein.

SECTION 2. DEFINITION OF MATERIAL TERMS. Any capitalized terms used herein but not defined shall have the meaning attributed to such term in the Interlocal Agreement, as the context may require.

SECTION 3. LEGALLY BINDING COMMITMENT.

(A) This Agreement constitutes a legally binding commitment by the Applicant to mitigate for the impacts of the new residential dwelling units for which the Applicant is seeking approval pursuant to the Development Permit Application and satisfies the requirements of the Interlocal Agreement and Public School Facilities Element.

(B) The Parties agree that this Agreement satisfies the requirements of Section 163.3180(6)(h), Florida Statutes, as a legally binding commitment to provide mitigation proportionate to the demand for public school facilities to be created by the residential development proposed in the Development Permit Application.

SECTION 4. PROPORTIONATE SHARE MITIGATION. The Applicant shall provide the following Proportionate Share Mitigation in order to meet the demand for school capacity created by the proposed residential development, and to provide for capacity for 5.268 elementary students, as follows, in accordance with Section 10.6 of the Interlocal Agreement and Section 09.03 of Public School Facilities Element:

(A) The payment of a total amount of ONE HUNDRED EIGHTY-THREE THOUSAND, EIGHT HUNDRED THIRTY-SIX DOLLARS AND NO/100 (\$183,836.00) for the Development Permit Application, which equates to FIVE THOUSAND TWO HUNDRED FIFTY-TWO DOLLARS AND 46/100 (\$5,252.46) per dwelling unit as an appropriate proportionate share payment to enable the School District to maintain the Level of Service Standard for school capacity in the affected Concurrency Service Area or Concurrency Service Areas.

(B) This proportionate share payment shall be made within eighteen (18) months of the Effective Date of this Agreement or at the time of approval by County of the final engineering

plans for the Project or any phase of the Project, whichever occurs first. This payment shall be a condition precedent to the approval by the County of the final engineering plans for the Project and made directly to the School District.

SECTION 5. USE OF PROPORTIONATE SHARE MITIGATION. The School District shall direct any and all Proportionate Share Mitigation, provided in Section 4 above, to a school capacity project identified in the financially feasible five (5) year district work plan of the School District Educational Facilities Plan which mitigates the impacts from the proposed residential development in the Development Permit Application. If such a school capacity project does not exist in the School District Educational Facilities Plan, the School District may, in its sole discretion, add a school capacity project to mitigate the impacts from the proposed residential development, as provided in Section 10.6 of the Interlocal Agreement.

SECTION 6. CONCURRENCY RESERVATION.

(A) Upon final execution of this Agreement by all Parties hereto, the School District shall issue a School Concurrency Reservation Letter documenting that capacity will be available for the proposed residential development in the Development Permit Application. The County shall be entitled to rely on the School Concurrency Reservation Letter in its review and issuance of a Certificate of Concurrency for the proposed development; provided that nothing herein shall require the County to issue a Certificate of Concurrency for the Development Permit Application if the Applicant has otherwise failed to satisfy the requirements of the County's land development regulations.

(B) The duration and effect of any Certificate of Concurrency relating to the development provided in the Development Permit Application shall be in accordance with the Interlocal Agreement and Public School Facilities Element; however, in no event shall this School Concurrency Reservation Letter, a Certificate of Concurrency, or any capacity reservation based on the same, continue to be effective if the Applicant fails to perform its obligations under this Agreement.

SECTION 7. IMPACT FEE CREDIT.

(A) Any Proportionate Share Mitigation paid pursuant to this Agreement shall be credited on a dollar-for-dollar basis at fair market value toward any Educational System Impact Fees due for the same residential development included in the Development Permit Application, as provided in Section 10.7 of the Interlocal Agreement or as provided in Section 163.31801, Florida Statutes, as it is in effect of the Effective Date of this Agreement.

(B) The School District shall notify the County of the amount of the above-described Proportionate Share Mitigation, which fair market value is ONE HUNDRED EIGHTY-THREE THOUSAND, EIGHT HUNDRED THIRTY-SIX DOLLARS AND NO/100 (\$183,836.00), and shall request Educational System Impact Fees credits in such amount on behalf of the Applicant upon receipt of the Proportionate Share Mitigation.

(C) An entity that later applies for a building permit for any of the dwelling units included in the Development Permit Application shall obtain an assignment of all or a portion of

the above-mentioned Educational System Impact Fee credits from the Applicant and submit such assignment to the School District and County at the time the Educational Impact Fee is due in order to drawdown from the Educational System Impact Fee credits provided herein, for so long as the Applicant has any remaining Educational System Impact Fee credits. The Parties agree that all the requirements, including those in the Nassau County Comprehensive Impact Fee Ordinance, for the Applicant to receive the Educational System Impact Fee credits set forth herein for the Development Permit Application have been satisfied.

(D) Nothing in this Agreement shall be deemed to require the County to continue to levy or collect Educational System Impact Fees or, if levied, to maintain them at any certain level.

SECTION 8. NO GUARANTEE OF LAND USE. Nothing in this Agreement shall require County to approve the Development Permit Application.

SECTION 9. TERMINATION. This Agreement shall terminate and Applicant shall forfeit any administrative application fees paid under the following circumstances, unless the County and the School District agree to an extension of the Certificate of Concurrency provided to the Applicant:

(A) The County does not approve the Development Permit Application within one hundred eighty (180) days of the Effective Date of this Agreement. In such event, all Proportionate Share Mitigation paid by the Applicant shall be refunded to the Applicant.

(B) The Certificate of Concurrency expires in accordance with Section 9.9 of the Interlocal Agreement. In such case, this Agreement shall be terminated and any encumbered capacity shall become unencumbered. The Applicant will not be entitled to a refund of Proportionate Share Mitigation paid under this Agreement, but the value of the Proportionate Share Mitigation received shall be held as a credit toward any future Proportionate Share Mitigation that may be required for future residential development on the same property.

SECTION 10. COVENANTS RUNNING WITH THE LAND. This Agreement shall be binding, and shall inure to the benefit of the heirs, legal representatives, successors, and assigns of the parties, and shall be a covenant running with the Property and be binding upon the successors and assigns of the Owner and upon any person, firm, corporation, or entity who may become the successor in interest to the Property.

All bonds shall be obtained from a surety that is duly licensed or authorized to issue bonds for the limits and coverages so required.

SECTION 21. ENTIRE AGREEMENT. This Agreement sets forth the entire agreement among the Parties with respect to the subject matter addressed herein, and it supersedes all prior and contemporaneous negotiations, understandings and agreements, written or oral, among the Parties.

SECTION 22. SEVERABILITY. If any provision of this Agreement is declared invalid or unenforceable by a court of competent jurisdiction, the invalid or unenforceable provision will be stricken from the Agreement, and the balance of the Agreement will remain in full force and effect as long as doing so would not affect the overall purpose or intent of the Agreement.
